

Poster Abstract Template (300-500 words)

Title

Enter project title here

Author(s)

Name(s), credentials, organization, lead author email

Project Type

- ☐ Quality Improvement (QI)/ Performance Improvement (PI)
- ☐ Nursing Leadership
- ☐ Research

Background / Problem

Describe the problem or gap this project addresses.

Aim / Purpose

State the goal of the project (what, how much, by when).

Methods / Interventions

Describe setting, participants, and what was done.

Results / Outcomes

Summarize outcomes, data, or early findings.

Conclusions

Key lessons learned.

Implications for Practice/Leadership/Quality

Why this matters and how it could be applied elsewhere.

References (optional)

List 1–3 key references if required.
